

Kerr Lake and Surrounding Area

Severe Weather 2009

August 11, 2009

630 pm – 830 pm...SKYWARN Storm Spotter Training

Severe Weather Spotter Training

The National Weather Service will present a Severe Weather Spotter training program to help participants understand the warning process and recognize the various thunderstorm elements and severe weather.

The following topics will be covered...

- thunderstorm development and severity
- recognition of storm/cloud elements
- anticipating storm motion, intensity and severity based on cloud structure
- lightning and other threats

There is no cost to attend!

Location:

Glass House at Satterwhite Point

**269 Glass House Road
Henderson, NC**
